

NOTICE TO PARENTS

Subject: Typhoid Vaccination Campaign 2025

Dear Parents/Guardians,

The Directorate General of Health Services (DGHS), under the Expanded Programme on Immunization (EPI), is pleased to announce the upcoming **Nationwide Typhoid Vaccination Campaign**, which will take place in **October 2025**.

The campaign will target all children **aged 9 months to under 15 years**. The Typhoid Conjugate Vaccine (TCV) is safe and effective, and it plays an important role in protecting children from typhoid fever.

The vaccination campaign will be held in the Mangrove School premises. The campaign date will be announced after completing the registration of our students. The registration process for the students of Mangrove will be completed by our admins. Online version of the Birth Certificate of your child is mandatory. **Kindly submit the following form by Sunday, 21st September 2025 to admin office.**

Your kind cooperation will be highly appreciated.

Regards,
Mangrove School
